June was our Annual renewals night so if you haven't rejoined yet please could you do so by seeing Rich.

I know our AGM is still a little time away but for 10 years now Andy Parmenter has been involved in the running of this club and feels its time for someone new to come on board so if any member who preferably lives in Swindon and wants to get involved in the running of this club, please speak to Andy. He will give more details next month about how to apply and when by.
